MEMORANDUM FOR: Executive Director

SUBJECT: Possible Relocation of Soviet Missiles
Outside the USSR

REFERENCE: Action Memorandum No. A-114, dated
4 December, same subject, TS 185190

1. The reference requests the Deputy Director (Research) to be alert for any evidence of relocation of Soviet missiles outside the USSR. This has been discussed within the DD/R and the following comments can be made:

a. The Office of Special Activities carries out their proper reconnaissance missions as required by the COMOR. OSA will remain especially alert for any indications of possible missile association and put them before the COMOR at the earliest opportunity.
